

## Pre-Operative Instructions:

- Appointments using general anesthesia require an empty stomach. Please refrain from eating or drinking for 8 hours prior to your appointment. Failure to do so will result in rescheduling your appointment.
- Please bring a responsible driver to stay in the office while you undergo your procedure, drive you home, and stay with you after the procedure.
- Wear loose, comfortable clothing.
- A legal guardian **MUST** accompany minors, or surgery will not be performed.
